

FEI UNIT OVERVIEW

Course Name:	
Unit Name:	

Evocative Image

Imagine...(An engaging, evocative paragraph that shows students the big ideas that will be explored in the Unit)	
Essential Unit Questions (1-3 questions that are open-ended and aligned to the Common Core Standards. The questions should also be higher-order, asking students to analyze, evaluate, synthesize and create)	
Learning Targets: What You Will Learn During this unit, you will demonstrate proficiency on the following Common Core Standards. Star (*) standards that are specifically prioritized for this unit.	
CCLS#	CCL Standard

FEI UNIT OVERVIEW

Performance Tasks: How to Show What You Know

Each lesson in this unit concludes with a Small Scale Performance, a short assessment that shows you understand the lesson. The Unit also includes Final Performance tasks. These performances are designed as college preparatory tasks, modeling what you will encounter when you reach college. The assessments will also you to demonstrate you have learned everything you need to during the module.
