

Your roadmap to future-ready learning.

You already have a vision for your learners. With a **CBE Catalyst membership**, that vision doesn't stay abstract—it becomes daily practice.

Built by reDesign and grounded in two decades of fieldwork, CBE Catalyst turns aspiration into action through **tools, modules, coaching, and community** that make competency-based learning doable, visible, and sustainable.

What's Inside →

A CBE Roadmap for clarity

✓ *Learning experiences and exemplars build new skills.*

Resources + AI partners for speed

✓ *Templates, guides, and design bots that save time while raising quality.*

Community for connection

✓ *Forums, webinars, and peer networks to learn alongside others.*

Claim your free trial to see what's included.

Get **7 days of free access** to our **Learning Experience Design Pathway**—a journey into designing daily learning that builds competency, agency, and engagement.

Select the best plan for your goals →

From **solo innovators** to **system-wide change**, CBE Catalyst has a flexible entry point for you.
